So if we go w what we discussed this am and add Ex. 5 Personal Privacy (PP) can we cover the extra cost? And where does it come from?

Hi Tabitha,

All non-career SES members are to be treated as if they are career SES members on the sheet, including shares, pay, and applicable bonus, as their salary contributed to the bonus pool. OHR Executive Resources will back out their pay increases and bonuses as necessary at the end of the process, according to what comes out in the final Executive Schedule.

Thanks,

Lisa Matluk, OHR

Hi, Lisa,

I met with Jennifer Orme-Zavaleta (ORD DAA) this morning to finalize our spreadsheet in order to meet the noon submission deadline. One question that we were unable to answer was how do we factor in Ex. 6 Personal Privacy (PP) non career SES). There was some discussion that he would not be eligible for a bonus bc this is presidential election year. Based on that information, we did not recommend a bonus for him. Is that acceptable at this point?

Thanks,

Tabitha
